Dear editor-in-chief of World Journal of Clinical Cases,

I am writing to verify that the language of the manuscript titled “Normal Values of Shear Wave Velocity in Healthy Liver Tissue of Children Using the Latest Acoustic Radiation Force Impulse Technology” has reached Grade A level. I have edited this manuscript carefully to ensure the correctness of the language.

Best regards,  
Allan Tsung

A handwritten signature in black ink that reads "Allan Tsung". The signature is written in a cursive style with a long, sweeping underline that extends to the right.
