To Whom It May Concern:

This letter confirms that the manuscript entitled *Crizotinib-induced acute fatal liver failure in an Asian patient with hepatic metastases and ALK-positive lung adenocarcinoma: A case report and literature review* by Dr. Zhang et al has been copyedited by native English speakers with a related biomedical background in **BioMed Proofreading® LLC**.

Sincerely,

BioMed Proofreading®, LLC

BioMed Proofreading® is a leading English-language copy-editing company founded in 2003 in the U.S.A. Our focus is proofreading and editing of biomedical manuscripts, proposals and grant applications. We comprised medical and life science professionals, with extensive experience as authors and referees for peer-reviewed biomedical journals. During the past eight years, we have provided services for scientists throughout the world, and we are proud to have earned a stellar reputation. As an English editing company we have been evaluated and recommended by **Brazilian Society of Zoology**, **Journal of Human Kinetics** (Poland), **Journal of Epidemiology** (Japan), **Phycology Research Group** (Czech Republic), **Chinese Medical Journal**, **Brazilian Journal of Microbiology**, **Journal of Biomedical Nanotechnology (USA)**, **Brazilian Journal of Medical and Biological Research**, **Korean Journal of Critical Care Medicine** and **Shengjing Hospital of China Medical University** (中国医科大学附属盛京医院).
