

Dear editor,

Thank you for your kind comments. We invited an expert who published more than 50 English articles and a native English speaker to polish our manuscript (below). Some language and grammatical errors in the manuscript have been corrected.

**Title:** Surgical treatment of four segment lumbar spondylolysis: a case report and literature review

**Authors:** Duanming Li, Baogan Peng

Baogan Peng, MD, PhD, Professor, Director,  
Department of Orthopedics,
