Overview comments	In general, this version of the manuscript draft is much improved with the added changes. I corrected the mistakes I found in the newly added text, as well as few that the authors seem to have re-introduced. I wrote two or three comments and clarifications in the comment boxes, which I encourage the authors to read carefully and to take them into account when they correct the draft. I WISH YOU THE BEST OF LUCK WITH YOUR SUBMISSION AND HOPE THE ARTICLE IS FINALLY ACCEPTED.
