

To whom it may concern,

This letter is to certify that the manuscript titled **"Local random flaps for cervical circumferential defect or tracheoesophageal fistula reconstruction after failed gastric pull-up: A case report"** has been proof read and corrected by the Home for researchers editorial team on the 08/02/2021. After being checked and amended as seen appropriate, we feel that the standard of English in this manuscript satisfies the requirements of submission to journals to be considered for publication.

Sincerely,

Home for researchers editorial team
