

Language Editing Certification

To whom it may concern:

The manuscript, entitled “Laryngopharyngeal Reflux Disease Management for Recurrent Laryngeal Contact Granuloma: A Case Report”, has been professionally edited for English grammar, syntax, word usage, punctuation, spelling, and manuscript structure. The editor for this manuscript was Dr. Isaac Greenhut, a native English speaker who earned his B.Sc. from Cornell University and his PhD from the University of California-Davis. We welcome any input from journal editors or reviewers in the form of specific examples of improper or problematic word usage.
