

Madrid, 30th April 2021

To whom it may concern,

Pedro-David Delgado-López, a native English speaker, provided editing services for Manuscript No 67662 (Gastrointestinal Tumors secondary to infectious agents) by Miriam López-Gómez et al., an invited paper for publication in your journal. The edit has achieved Grade A: priority publishing; no language polishing required after editing. Should you require any additional information, please do not hesitate to contact Pedro-David Delgado-López, pedrodl@yahoo.com.

Best regards.
