

## Language Certificate

Per email correspondence below on 9/11/15, the requirement for a language certificate was waived because the senior author, Dr. Gupta, is a native English speaker.

Dear Dr. Gupta,  
Sorry for your bother. You can not provide the language certificate.

主题 : Fwd: Manuscript NO: 21969-  
manuscript revision

Dear Editor,

Thank you so much for the opportunity to revise and resubmit the manuscript. I have reviewed the edits to the pdf version of the submitted manuscript, and would like to clarify whether we are required to provide a language certificate letter for this manuscript in response to the quoted comment below. I am a native English speaker and the senior/corresponding author for the manuscript. Is provision of a language certificate necessary?

Thank you in advance for your help and guidance.

Best,

Samir Gupta, MD
