

Language certificate

Dear Editor:

We feel pleased to hear from you. Thank you very much for giving an opportunity to revise the manuscript. The English language has been polished and reviewed by professor Hai-Tao Zhao, so we may be confident in the English language. Thank you once again and we are the long-standing supporter of WJG.

A handwritten signature in black ink on a light-colored background. The signature reads "Haitao Zhao" in a cursive, slightly slanted script.
