- 

The undersigned Prof. L.Luciano Tarantino, first author of the submitted Manuscript 30562 for publication on the World Journal of Gastroenterology , considered that the language of the manuscript, evaluated from 3 reviewers, has been judged of very good level and scored it for "priority publishing" from 2 reviewers and considered it for "minor polishing" of the language (already done) from the third reviewer .

**declare and is strongly convinced** **that** the language of the manuscript has reached Grade A, and should not be send to English language editing.

Best regards

28 November 2016
