

Key Scientific Editing

English@oncotarget.com

This is to certify that the paper entitled “Review of the relationship between intestinal microbiota and ulcerative colitis and its treatment with probiotics and fecal microbiota transplantation” commissioned to us by Zhoahua Shen has been edited for English language syntax, punctuation, spelling and style by Key Scientific Editing.

Sincerely,

A handwritten signature in black ink, appearing to read 'William Goldman', with a long horizontal flourish extending to the right.

William Goldman, Ph.D.
Senior Editor
