Certificate Service Confirmation

To Whom It May Concern,

We herein certify that our article ([Manuscript NO: 36562](#)), “[Optimization of hepatobiliary phase delay time in Gd-EOB-DTPA-enhanced magnetic resonance imaging for identification of hepatocellular carcinoma in patients with different severity of cirrhosis](#)”, has been read and edited carefully by the following medical specialists: (1) Prof. Chris LI, PhD and MD, a native English speaking medical researcher who had worked for many years in the John Radcliffe Hospital, University of Oxford, the United Kingdom; and (2) Prof Yue WANG, PhD, MD, who had studied for four years in the University of Tokyo and worked for several years in the National Centers for Disease Control, Beijing, China.

Under the strict editorial and kindly help of the two experienced medical specialist, we believed that the edited paper has reached grade A in language evaluation for SCI journals, and is suitable for consideration to be published in [World Journal of Gastroenterology](#).

Best Regards !

Yours sincerely

Dr. Yue-cheng YU

A handwritten signature in black ink that reads "Yue-cheng Yu". The signature is written in a cursive style with a large, stylized 'Y' at the beginning.
