

**Non-Native Speakers of English Editing Certificate**

**Manuscript Title: Digestive System Involvement and Clinical Outcomes Among COVID-19 Patients - A Retrospective Cohort Study from an Academic Center in Qatar.**

MS. Number: 05452502

Dr. Subrata Ghosh & Dr. Andrzej S Tarnawski  
Editors-in-Chief  
World Journal of Gastroenterology

We are writing to apply for exemption from English Editing services requirement. We certify that English is the official language at our institution Hamad Medical Corporation. All the authors have reviewed the manuscript and certify that the manuscript has been edited for English language usage, spelling, grammar, and punctuation. The edited paper has reached grade A in language evaluation for SCI journals. We take full responsibility for accuracy of the manuscript and believe that once accepted the manuscript will be ready for publication without any language editing.
