Prof. Joon Hyun Cho

Division of Gastroenterology and Hepatology, Department of Internal Medicine, Yeungnam  
University College of Medicine, Daegu 42415, South Korea

Dear Prof. Cho,

It is a great pleasure to assist you in editing your manuscript.

The manuscript entitled '**Early gastric cancer presenting as a typical submucosal tumor cured by endoscopic submucosal dissection: changes in its endoscopic features over 4 years**' was proofread and edited by Linda H., one of the English editors at NURISCO.

NURISCO is a professional English editing company which has been working for various prestige English journals for more than 24 years. NURISCO edits more than 70,000 papers per year for scholars of the major Korean universities. We select a specific native speaker with related major and English editing skill to improve both English and major related style of a particular manuscript.

Yours truly,

NURISCO
