## CERTIFICATE

To whom it may concern:

We hereby declare that the manuscript described below

**Title of the Paper: Immunological Mechanisms of Fecal Microbiota Transplantation in recurrent Clostridioides difficile infection**

**Authors:** Lucas F. Soveral, Gabriela G. Korczaguin, Pedro S Schmidt, Isabel S. Nunes, Camilo Fernandes, Carlos R. Zárate-Bladés

Was reviewed into the English language and edited for being clearer, according to the scientific writing, by the professional scientific translation team from Cia das Traduções (MS Traduções Ltda.- National Registry of Legal Entities – CNPJ n. 08.966.620/0001-91).

We testify that the manuscript was carefully reviewed for being clearer and with the proper scientific language in English, including grammar, punctuation, spelling and general style. However, the study content and the authors' purposes, as understood from the original text, were not changed anyhow.

The respective author read the manuscript reviewed into English by us before the final review, and the same had the opportunity of selecting the terms and expressions suggested by the reviewer in case of doubts, so that the final version was adjusted according to his intentions and prepared for publishing.

A copy of both reviews of the original manuscript sent by the client and the review made by Cia das Traduções will be made available under request, so that it is verified, within minimum time period of one year.
