

**Non-Native Speakers of English Editing Certificate
for World Journal of Gastroenterology**

I, Dr. M Bustamante-Balén, the corresponding author of the paper titled “How to avoid overtreatment of benign colorectal lesions: rationale for an evidence-based management”, declare that the author of the present manuscript is a non-native English speaker, but the reviewed manuscript, tables, and figures have been reviewed for clarity by a colleague whose native language is English.

Dr. M Bustamante-Balén, M.D; Ph.D.
Gastrointestinal Endoscopy Unit
Hospital Universitari i Politècnic La Fe
