Dear Professor Andrzej S Tarnawski DSc, MD, PhD,

#### **Language Editing Certificate**

This is hereby to certify that Yeonhee Cho, who works at Amgen Inc. in San Francisco, CA, USA, provided comprehensive editing services (amending, polishing, and rewriting) for the revised article entitled **“Fifty shades of Crohn’s disease – when the location starts to sing via novel serological marker, anti-Chitinase 3-like 1 autoantibodies”** (Invited Manuscript ID: 86628) by Nora Sipeki et al. (Proposed new title during the revision process: A location based prediction model in Crohn’s disease regarding a novel serological marker, anti-Chitinase 3-like 1 autoantibodies), which is under revision and consideration for publication in the *World Journal of Gastroenterology*.

The editing has achieved Grade A; no language polishing is required after editing.

In the case of any additional information, please do not hesitate to contact me.

Sincerely yours,

Yeonhee Cho, Ph.D.
