Thomas Blumberger 13 Woodward Place,

Loughton Lodge, MK89LG

I hereby confirm that: The revised manuscript listed below was twice checked and edited for proper English language, grammar, punctuation, spelling, and overall style by one or more native English-speaking reviewers. Neither the research contents nor the Authors' intentions were altered in any way during the editing process.

The Authors have the ability to accept or reject our suggestions and changes.

Manuscript title: “**Advancements in Barrett's esophagus detection: The role of artificial intelligence and its implications**”

Authors: Sara Massironi

For submission to: World Journal of Gastroenterology

Best regards,
