CERTIFICATE

This is to certify that the manuscript entitled “Are treatment options used for adult-onset type 2 diabetes mellitus (equally) available and effective for children and adolescents?” (NO: 00054672) by Nevena Krnic, Vibor Sesa, Anna Mrzljak and Maja Cigrovski Berkovic has been language edited in English by the author of this manuscript.

I worked in London, UK, and moved back to Croatia, where I have been working as a gastroenterologist and hepatologist at a teaching university hospital.

I have written and published over 100 original scientific papers, reviews, and conference presentations in English language.. All the other authors have published more than 300 papers in English language.

Anna Mrzljak
