**Certificate of English Editing**

Dear Editor:

This is to certify that the Manuscript NO : 82125 ( Endoscopic mucosal resection with double band ligation versus endoscopic submucosal dissection for small rectal neuroendocrine tumors: A randomized controlled trial ) , which is under consideration for publication in your journal, has been edited by Scientific Writing Solutions, USA for English writing. The edit has achieved Grade A: priority publishing; no language polishing required after editing.

Our editors are professionals in the US academic institutions whose research areas are closed related to the researches in the manuscripts. They are English native speakers and their editingskills passed our vigorous tests. If you have any questions, please contact me at [Editor@Sciwriting.com](mailto:Editor@Sciwriting.com).

Sincerely,

Jeff Johnson

Chief Editor
