TO WHOM IT MAY CONCERN

I am writing to inform you about Manuscript NO: 91461, titled "Predicting short-term thromboembolic risk following Roux-en-Y gastric bypass using supervised machine learning." This manuscript, which is currently under consideration for publication in your esteemed journal, has been thoroughly reviewed and proofread by me. As a native English speaker and Clinical Gastroenterology Fellow, I have ensured that the language and presentation meet the highest standards of academic writing (Grade A).

Should you need any further details or have questions regarding the content or the proofreading process, please do not hesitate to reach out to me.

Sincerely,

Pratik Patel, MD
