To whom it may concern,

The manuscript was re-read carefully by the main author, Dimitrios Tsounis MD, MSc, FEBGH.

Dr Dimitrios Tsounis holds a substantial post as Deputy Director of Gastroenterology Clinic of the 251 General & Veterans Hospital of the Hellenic Air Force in Athens, Greece.

Since 2015 he is working ad hoc in the UK as Locum Consultant Gastroenterologist in various hospitals of the NHS, undertaking roles such as Endoscopy lists, Outpatient Clinics and General Medicine ward rounds. Through his UK working experience in the NHS and professional (GMC) appraisals, has demonstrated professional competence in English language and medical terminology in particular.

Dr Dimitrios Tsounis has written and published as main author and co-author more than 20 original scientific papers in English language.

Dimitrios Tsounis MD, MSc, FEBGH

Deputy Director of Gastroenterology Clinic of the 251 General & Veterans Hospital of the Hellenic Air Force.

A handwritten signature in black ink, appearing to read 'D Tsounis', with a stylized, cursive script.
