**To whom it may concern:**

The manuscript titled "Cell Culture Development for Human Pluripotent Stem Cells" written by Dr. Weiwei Liu and colleagues was read carefully and modified for language by Prof. Garry Wong, Ph.D. Dr. Wong is a Canadian born and U.S. educated and trained scientist. Dr. Wong was educated in kindergarten, primary and secondary schools in Sacramento, California, received his Bachelor's degree from University of California, Davis, and doctorate at North Carolina State University. He has published over 100 original scientific articles and teaches a graduate student core writing class at the University of Macau.

Sincerely,

A handwritten signature in blue ink that reads "Garry Wong". The signature is fluid and cursive, with the first name "Garry" and last name "Wong" clearly distinguishable.
