Larisa, August 3rd, 2021

Dear Dr Chen-Chen Gao,
Science editor, *World Journal of Stem Cells (WJSC)*

I confirm that our manuscript (Invitation Number ID 03811093) entitled **"Stem cells' centrosomes: How can the organelles identified 130 years ago contribute to the future of regenerative medicine?"** by Goutas and Trachana, has been edited by a native English speaker.

Yours sincerely,
Varvara Trachana
