Certificate of Proofreading

This document certifies that the manuscript listed below was proofread and edited for appropriate English language usage, grammar, punctuation, spelling, and overall style by a professional translator and editor. The editor endeavoured to ensure that the author's intended meaning was not altered during the review. All amendments were tracked with the Microsoft Word "Track Changes" feature. Therefore, the authors had the option to accept or reject each change individually.

Manuscript Title: Metabolic determinants of stemness in medulloblastoma (revised version)

Authors: Paula Martín-Rubio, Pilar Espiau-Romera, Alba Royo-García, Laia Caja, Patricia Sancho

Proofread on May 20th, 2022

Laura Sancho Andrés
