Dear Konstantinos,

I hope you are having a great day.

I am pleased to deliver your order. We enjoyed carefully working on your material, and we would love to proofread or edit other files of yours in the future. Please contact me or my company whenever you have proofreading or editing needs. We also now offer +25 services, including translation: <https://www.proofreadingservices.com/all-services>.

If you wouldn't mind, I would personally appreciate it if you would consider passing our name along to any of your colleagues who might be interested in proofreading or editing services.

Thank you very much for being a valued client. Have a wonderful day, Konstantinos.

All the best,
Luke
