

EDITORIAL LANGUAGE CERTIFICATE

I, Roderick Somerville Kay, a native speaker of English, hereby declare that I have translated into English the article entitled (in English) *¹H NMR-based Metabonomic Models for Non Invasive Diagnosis of Liver Fibrosis in Chronic Hepatitis C: Optimizing the Classification of Significant Fibrosis* by Batista, AD, Barros, CJP; Carneiro Costa, TBBC; Gonçalves de Godoy, MM; Silva, RDS; Santos, JC, Lira, MM de M; Jucá, NT; Silva, RO; and Lopes, EP de A.

I confirm that I am satisfied that the article is linguistically correct in terms of grammar, syntax, punctuation, spelling and overall style (level A).

I have regularly translated and/or reviewed academic articles written by experienced and less experienced faculty and by master's and doctorate students from different Federal Universities throughout Brazil for more than 20 years.
