Document Review Statement

To whom it may concern:

I hereby declare that our team at InScribe Serviços Ltda ME revised the document QOL PAULA (QUALITY OF LIFE, DEPRESSION AND ANXIETY IN POTENTIAL LIVING LIVER DONORS FOR PEDIATRIC RECIPIENTS), originally written in English, and made adjustments in grammar, lexicon and style, in addition to the proper use of terminology, consistency, and register.

We delivered the revised version of the document on February 22, 2022.
