

Certifiacte of Editing

01/03/2024

To whom it may concern,

The purpose of this letter is to verify that Chenzhou Jieyu Translation Service Co.,Ltd provided the English proofreading services for the following thesis: *Yinhuang granule alleviates carbon tetrachloride-induced liver fibrosis in mice and its mechanism.*

Basic language editing including the polish of grammar punctuation and syntax was performed. And the edited document was returned on 01/05/2024. We are unaware of any changes or additions manuscript after that time. We have kept the special file in case of any dispute.

Sincerely,

Name: Jie Zhang
