Medical English Revision

I hereby confirm that I am a native English-speaking scientific translator, practising professionally in Siena, Italy, since 1985.

I revised the English of the manuscript entitled "**Follow-up of endovascular aortic aneurysm repair: preliminary validation of digital tomosynthesis and CEUS in detection of medium- and long-term complications**" on behalf of Professor Setacci and Dr Mazzei to the best of my ability and experience.

For further information, please contact me or Dr. Mazzei.

Yours faithfully,
