To the Editor of the World Journal of Cardiology

Dear Editor,

I hereby confirm, that I, as a native speaker, have read the manuscript “Diagnostic and prognostic value of circulating microRNAs in HFpEF and HFrEF” by Schulte et al..

The language of the manuscript is graded A and is therefore acceptable for publication at your journal.

Kind regards,

A handwritten signature in dark ink, consisting of a large 'F' followed by the name 'Kee' in a cursive script.
