To whom it may concern,

Re: Manuscript, "Combined assessment of myocardial damage and electrical disturbance in chronic heart failure".

I confirm that the manuscript entitled, "Combined assessment of myocardial damage and electrical disturbance in chronic heart failure" was edited by Biomedical Editing International.

Biomedical Editing is a reputable Editing business that has been operating successfully for over seven years. Our editing service is comprehensive and we are not merely a proofreading service; we also ensure that the grammar is correct and the manuscript is written in a clear, concise and easy to read format.

By employing our services, Professor Watanabe has ensured that his team have met the rigorous demands of publication in an English Journal.

I would be happy to discuss any particular grammatical queries that you may have in the context of this manuscript.

Best wishes,
Dr Sharon Forsyth

Director
