Certificate

Whosoever it may concern

The review manuscript entitled '**Recent Advances in Production, Purification and Applications of Phycobiliproteins**' authored by Mr. Ravi Raghav Sonani, Dr. Rajesh Prasad Rastogi, Mr. Rutvij Patel and Prof. Datta Madamwar have been assessed for the quality of English language. Some minor corrections regarding the basic grammar and sentence structure have been brought in the authors' noticed. After incorporation of this correction, the manuscript shows less than 1% mistakes in 'Ginger'- English language software. Now, the English language of the present manuscript meets the level of any international scientific journal.

In principle, I hereby certified that the language of present manuscript meets A+ category and approved to be considered by any international English publisher.

Truly,

(Kaushal Kotadia)
