

CERTIFICATE OF ENGLISH EDITING

The present document certifies that the manuscript entitled "Pathological response to neoadjuvant therapy with chemotherapy (Ch) *versus* Ch-radiotherapy in stage III NSCLC. Contribution of IASLC recommendations." by Diego Muñoz Guglielmetti has undergone English editing by a native English speaking editor of scientific texts to ensure that the language is grammatically correct and free of errors. The intent of the author's message was not altered in any way during the editing process. Moreover, the changes suggested throughout the text have not been further altered without my knowledge.
