

# EDITING CERTIFICATE

This document certifies that the manuscript listed below was edited by Cambridge Proofreading LLC for English grammar, punctuation, spelling, and style. We endeavoured to ensure that the authors' intended meaning was not altered during the review. All amendments were tracked with Microsoft Word's 'Track Changes' feature, allowing the authors full control over the changes made. We bear no responsibility for revisions made to the document after our edit on the date listed below.

**Document title:**

Classification of patients with metastatic colorectal cancer into consensus molecular subtypes into real-world: A pilot study

**Document authors:**

Jaime González-Montero

Date edited: 07/22/2023

Order number: 615-79-39
