To whom it may concern:

I have edited and proofread the manuscript “The immune responses of STEAP4 function as a novel biomarker in gastric cancer” by Ze-Xuan Fang et al. The editing and proofreading were based on standard scientific English writing guidelines based on my experience as a scientific author and reviewer. I am also a native English speaker. This certificate is issued upon the request of the corresponding author Dr. Jing Liu. If you have any inquiries, please do not hesitate to contact me through my mobile phone number or email address given below.

Sincerely,

Stanley Li Lin, Ph.D.

Professor, Cell Biology and Genetics
