Title: Inflammatory response in gastrointestinal cancers: an overview of STEAPs as novel biomarkers in pathophysiology and clinical implications

Corresponding author: Jing Liu

To whom it may concern,

I, Dr. Ashiq Ali, the expert in Pathology and Translational Medicine. I am very fluent in English, the official language in Pakistan. I reviewed and edited this manuscript to guarantee that the language of the manuscript meets the requirement of publication in WJCO.

Sincerely,

A handwritten signature in black ink, reading "Ashiq Ali", on a light gray rectangular background.

Dr. Ashiq Ali
