To Whom It May Concern,

I, Ayşe Umut Varol with C1 English certification (TOEFL IBT Score: 106), confirm that the manuscript titled "Effectiveness of high-intensity and low-intensity percutaneous electrolysis with same charge for pain management in patients with Patellofemoral Pain Syndrome: A pilot study" was edited for proper English language, grammar, punctuation, spelling, and overall style; and controlled to ensure conformity with the high quality standards.

A handwritten signature in blue ink, likely belonging to Ayşe Umut Varol, located at the bottom right of the page.
