

Dear Editor in chief

Greetings On behalf of authors, we declare that we have revised and edited the language content of the manuscript entitled '**Virtual Orthopedic Assessment: Main Principles and Specific Regions.**'. The manuscript was primarily written by researchers who have extensive experience with research writing and journals reviewing. The authors who wrote this manuscript are Prof Dr Khaled Emara, and Prof Ramy Ahmed Diab, and. Both authors have many published research papers on Pubmed and Science direct.

If you feel that the manuscript needs further language edits, we are very willing to follow your suggested procedure for language edition.

Thank You So Much.

Prof Dr Khaled Emara.
