

18/07/2023

To whom it may concern:

The purpose of this letter is to verify that Zibo Yimore Translation CO.LTD provided the English proofreading services for the following thesis : **Long head of biceps tendon transposition for massive and irreparable rotator cuff tears can improve superior humeral migration and reduce retear rate: A Meta-analysis and Systematic Review of Biomechanical and Clinical Outcomes**

Author: **Renwen Wan, Zhiwen Luo, Yimeng Yang, Hanli Zhang, Jiani Chen, Shiyi Chen, and Xiliang Shang**

The basic language editing including the correction of grammar, punctuation and syntax was performed normatively with our best efforts. And the edited document was returned to the writer on 18/07/2023. We are unaware of any changes or additions made to the manuscript after that time. We have kept the specimen of the received original file in case of any legal dispute.

Sincerely,

Henry Graff
