

Language Editing for Manuscripts Submitted by Non-Native Speakers of English

World Journal of Orthopaedics

Cost-effectiveness of patient-specific instrumentation versus conventional instrumentation for total knee arthroplasty: a systematic review and meta-analysis

Isobel M Dorling, Lars Geenen, Marion JLF Heymans, Jasper L Most, Bert B Boonen, Martijn GM Schotanus.

Manuscript NO: 81970

April 18, 2023

We herein certify that the manuscript has been edited for proper English language by a native English speaker, chief investigator: Isobel M Dorling.

Some co-authors are experienced in medical writing and publishing. They have re-read the manuscript carefully.

For questions, please contact Martijn Schotanus: m.schotanus@zuyderland.nl (corresponding author).
