Gastrointestinal Tolerability of Organic Infant Formula Compared to Traditional Infant Formula: A
Mini-Review

Authors:

Mohammed Al-Beltagi, Nermin Kamal Saeed, Adel Salah Bediwy, Reem Elbeltagi, Mohamed
Basiony Hamza

Date Issued:

December 10th, 2023

*We are NOT responsible for any errors in the added content to our revised version after this date.

This document certifies that the above manuscript was edited for proper English language, grammar, punctuation, spelling, and overall style. Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes.
