BT EDITING LANGUAGE EDITORIAL CERTIFICATE

Confidential Reference: M-30-7-21

July 30, 2021

To Whom It May Concern,

BT Editing provided comprehensive editing services for manuscript reference M-30-7-21 (Antiglutamatergic agents for obsessive compulsive disorder: Where are we now and what are possible future prospects?) by Annalisa Maraone, Lorenzo Tarsitani, Irene Pinucci and Massimo Pasquini, which is under consideration for publication by your journal. A native English-speaking editor and PhD scientist edited the manuscript to a high ('A') standard. The manuscript was edited for English language usage, grammar and spelling. The author(s) have final choice to accept or reject the editor's suggestions. If any additional information is required, you may contact the owner of BT Editing.

Kind regards,

Belle Asante, PhD
