To whom it may concern,

The paper :

Genetic variables of the glutamatergic system associated with treatment-resistant depression. A review of the literature.

by E Saez *et al.*,

has been revised by a native English scientist with more than 30 years of experience in proofreading and editing scientific articles for publication in English language journals.

Respectfully yours,

A handwritten signature in black ink that reads "Helena Kruyer". The script is cursive and fluid, with the first letter 'H' being particularly large and stylized.
