To Whom It May Concern,

I provided comprehensive editing services for Manuscript: **“Editorial: Perilipin2 inhibits the replication of hepatitis B virus deoxyribonucleic acid by regulating autophagy under high-fat conditions”** by Jorge Quarleri and M. Victoria Delpino, which is under consideration for publication in World Journal of Gastroenterology. The edit has achieved Grade A: priority publishing; no language polishing required after editing. Should you require any additional information, please do not hesitate to contact me.

A handwritten signature in dark ink, appearing to read 'S. Mazzini', with a stylized, cursive script.
