

Non-Native Speakers of English Editing Certificate

I declare that the author of the revised manuscript titled (**Letter to the editor: Radiological evaluation of patellofemoral instability and possible causes of assessment errors**) is non-native English speaker, but the revised manuscript has been reviewed for clarity by a colleague whose native language is English.

Mohamed Kamal Mesregah; MD, Ph.D.

5/5/2022

A handwritten signature in black ink, appearing to read 'Mohamed', with a long, sweeping underline that extends to the right.
